Subject: SFS 20-97 Emergency Meals to You Application Demonstration: **March 24 at 11:00 am**

School districts that have discontinued meal service sites during the COVID-19 public health emergency are strongly encouraged to consider applying with Emergency Meals-to-You (E-MTY).

Emergency Meals-to-You is a partnership between Meals-to-You and the Baylor Collaborative on Hunger and Poverty. They work with school districts to pair them with vendors that have the capability to ship up to 10 meals at a time, directly to a student's home.

To apply, log on to mealstoyou.org and click on the "School District" link. You can download a pdf of the application and an excel spreadsheet.

Once you complete the application and spreadsheet, you may submit them to melissa.campbell@la.gov for review. They will be forwarded to Meals-to-You for approval. You will then be contacted by Meals to You to assist in completing the process

The Division of Nutrition Support will host a brief **Zoom Meeting on March 24, 2020 at 11:00 am**, to provide an overview of the application process. Please use this information to access the meeting:
